

Press Release

**ANTAM GRANTS
SCHOLARSHIPS TO
SUPPORT THE
ADVANCEMENT OF
EDUCATION IN
INDONESIA**

For Immediate Release

Jakarta, October 4, 2013 - PT ANTAM (Persero) Tbk (ASX - ATM; IDX - ANTM; ANTAM) is pleased to announce that the company once again granted scholarships for academic degrees ranging from bachelorette level up to doctorate level as part of its supports for the advancement of education in Indonesia.

Recently, ANTAM awarded scholarships to 17 high school graduates with extraordinary achievements who were native to the company's operation area, to pursue higher education at the Universitas Hasanuddin and the Institut Pertanian Bogor. These students will continue to receive scholarships for the duration of their studies.

General Affairs & Corporate Social Responsibility Director Made Surata stated:

"The scholarship program is part of ANTAM's annual corporate social responsibility activities. The program is a manifestation of the company's commitment in the field of education as part of its supports to the Government to advance education in the country."

In addition, ANTAM dispatched three college lecturers native to the North Maluku province to attend higher education at Montana State University, U.S. The program was carried out to increase the knowledge, competency and quality of higher education lecturers in the region.
