ANTAM's Homecoming Post with SOE Utilized by Thousands of Travelers

Jakarta, April 8, 2025 – To support the smooth return flow of Eid Al-Fitr 2025, PT Aneka Tambang Tbk (ANTM) or ANTAM again presents Homecoming Posts in three locations, namely, Yogyakarta International Airport (Yogyakarta), Juanda International Airport (Surabaya), and Sultan Hasanuddin International Airport (Makassar).

This program is part of the collaboration between ANTAM and several other State-Owned Enterprises (SOE), to provide extra comfort for the community during Eid's homecoming and return period.

At the Yogyakarta post, three SOE collaborate, namely Angkasa Pura, ANTAM, and BRI. At the Juanda Surabaya Post, the SOE that collaborate are Angkasa Pura, ANTAM, and PTPN III. At the Hasanuddin Makassar post, the SOE that collaborate are Angkasa Pura, ANTAM, and BULOG.

ANTAM's Corporate Secretary, Syarif Faisal Alkadrie, said that the collaboration of SOE during the 2025 Eid al-Fitr return flow is a form of the Company's contribution to the community.

This post was first presented during the peak of the homecoming flow on March 28-29, 2025, and was reactivated during the peak of the return flow on April 5-8, 2025.

"Through this post, the Company wants to provide real support to the community. We hope that the presence of the ANTAM Homecoming Post will be able to maintain the stamina of travelers and help reduce boredom during the trip," he said.

At each of these joint posts, ANTAM is ready to serve the community by providing refreshments and food. Especially at the Juanda Surabaya Post, it also provides free medical check-ups, and provides medicines for the community, to provide diapers for babies.

During this homecoming and return flow, ANTAM, together with other SOE have served more than 2,000 people in the three locations.

"Hopefully with the presence of ANTAM, We can help the community and get excited again to our hometown," added Syarif.
