During the first nine months of 2016 (9M16), ANTAM’s unaudited net sales were recorded at Rp6.45 trillion, where the largest contributor of ANTAM’s revenue came from gold sales which amounted at Rp4.36 trillion or 68% of total unaudited net sales.

During the third quarter of 2016 (3Q16, July-September 2016), ANTAM’s unaudited net sales grew by 91% to Rp2.28 trillion compared to the third quarter of 2015 (3Q15) of Rp1.19 trillion.

**FERRONICKEL**

The production volume of ferronickel in 9M16 reached 14,393 tonnes of nickel contained in ferronickel (TNi), an increase of 12% compared to the production volume in 9M15 of 12,838 TNi. Meanwhile sales volume of ferronickel in 9M16 reached 12,095 TNi. The production increase was due to completion of the transformer repair of the FeNi II smelter in May 2016.

In 3Q16, ANTAM’s production volume on ferronickel amounted 6,089 TNi, a 79% increase compared to the production volume in the same period last year of 3,396 TNi. Inline with the rise of production volume, in 3Q16 sales volume of ferronickel grew by 92% to 4,003 TNi compared to 3Q15.

Ferronickel sales volume in 9M16 was the second largest contributor to ANTAM’s unaudited sales and amounted to Rp1.49 trillion or 23% of total unaudited net sales in 9M16.

Meanwhile in 3Q16, ANTAM’s unaudited sales of ferronickel reached Rp544.48 billion, a 154% significant increase compared to 3Q15 of Rp214.31 billion.

**GOLD**

In 9M16 ANTAM recorded total gold production volume of 1,542 kg (49,576 oz) from the Pongkor and Cibaliung mines. Meanwhile ANTAM’s gold sales for the 9M16 period amounted to 8,068 kg (259,392 oz).

In 3Q16, ANTAM’s gold production volume reached 527 kg (16,943 oz) with sales volume grew by 62% to 2,676 kg (86,035 oz).

ANTAM seeks to optimise gold sales inline with the rising trend of commodity prices by developing export market innovation such as through the Free Trade Agreement with ASEAN, Middle East and East Asia markets.
launches gold jewellery products which were combined with the batik motif gold. The jewellery products were launched on September 26, 2016.

ANTAM also assesses several promising gold export market to increase the company’s revenue and develop gold export market. Several promising markets include Malaysia, Singapore, United Arab Emirates and several African countries. The assessment follows the challenges of continuing gold export to India which was ANTAM’s main gold export market in 2015.

ANTAM’s unaudited revenue from gold sales in 9M16 amounted to Rp4.36 trillion. Gold was the largest component of ANTAM’s unaudited net sales in 9M16 with 68% contribution. Meanwhile in 3Q16 unaudited sales of gold reached Rp1.52 trillion.

In 9M16, ANTAM’s nickel ore sales volume reached 631,451 wmt which was sold to domestic third party smelters.

In 3Q16, ANTAM’s nickel ore production volume reached 463,515 wmt with sales volume of 213,222 wmt.

ANTAM’s unaudited revenue from nickel ore sales in 9M16 amounted to Rp248.39 billion. Meanwhile in 3Q16 unaudited sales of nickel ore reached Rp89.45 billion.

In 9M16, ANTAM’s nickel ore production originated from the Pakal Island & Pomalaa nickel mines.

In 3Q16, ANTAM’s nickel ore production volume reached 58,759 wmt with bauxite sales volume of 104,708 wmt or grew by 73% compared to sales last year of 60,682 wmt.

In 9M16 ANTAM’s unaudited revenue from bauxite sales amounted Rp66.65 billion. Meanwhile in 3Q16, unaudited sales of bauxite reached Rp37.13 billion.

On August 1 and 4, 2016, ANTAM announced the company participated in the Institutional Investor Day and Investor Day 2016 which were held by the Indonesia Stock Exchange.

During both events, ANTAM showcased the company’s strategy, performance and business outlook. During the Institutional Investor Day, ANTAM met leading institutional investors from pension funds, insurance companies, securities analysts as well as foreign and local fund managers. Meanwhile during the Investor Day 2016, ANTAM met retail investors. As part of both events, ANTAM also conducted its annual public expose by holding a press conference with the media.

ANTAM EVALUATES NEW GOLD EXPORT MARKET TO INCREASE SALES

On August 3, 2016, ANTAM announced the company was evaluating several promising gold export markets to increase the Company's revenue. Several promising markets include Malaysia, Singapore, United Arab Emirates and several African countries. The evaluation followed the challenges of continuing gold export to India which was ANTAM’s main gold export market in 2015.

ANTAM WELCOMES THE CREATION OF HOLDING COMPANY FOR MINING STATE-OWNED ENTERPRISES

On August 23, 2016, ANTAM announced the company welcomed the Government’s initiative in creating the Holding Company for Mining State-Owned Enterprises (SOE). The initiative is part of the Government’s efforts to strengthen the position of Indonesia’s Mining SOE. The initiative calls for the inclusion of ANTAM as part of Indonesia’s Mining Holding SOE, which also includes PT Bukit Asam (Persero) Tbk (PTBA), PT

20 STUDENTS OF WEST KALIMANTAN GOES TO MALUKU IN SMN 2016

On 9 August, 2016, ANTAM announced the company with PT PP (Persero) Tbk (PTPP) and PT Perkebunan Nusantara XIII (Persero) (PTPNI XIII) were participating in “The State-Owned Enterprises (SOE) For The Nation-2016 Indonesia Recognition by Students Program (SMN 2016).” The program invited 20 best students from the West Kalimantan Province to visit the Maluku Province.

The SMN program entered its second year of implementation. The program was conducted by SOEs in 34 provinces throughout Indonesia. During the first year, ANTAM participated in the Southeast Sulawesi region. The SMN Program is initiated by the Ministry of SOE and all SOEs to develop a spirit of national pride and patriotism of the students through information and cultural exchange.

ANTAM MEETS PUBLIC INVESTORS IN SURABAYA DURING INVESTOR DAY 2016

On August 18, 2016, ANTAM announced the company delivered its latest strategy, performance and outlook to public investors during Investor Day 2016 in Surabaya which was held by the Indonesia Stock Exchange. The Investor Day 2016 in Surabaya follows the Institutional Investor Day and Investor Day 2016 which were previously held in Jakarta.
Timah (Persero) Tbk (TINS), PT Indonesia Asahan Aluminium (Persero) (INALUM) and the 9.36% Government’s stake in PT Freeport Indonesia (PTFI). As the Government aims for an immediate, more optimum and controllable creation of a Mining Holding SOE, initially the Government will assign INALUM as the Mining Holding SOE given the Government’s 100% ownership of INALUM.

The creation of Mining Holding SOE is expected to increasing the mineral & coal reserves and resources profile, both from exploration and acquisition, supporting the domestic coal and mineral downstream program as well as initiating a national mining company with global competitiveness and transformation into a major global mining company.

**ANTAM RECEIVES SOCIAL BUSINESS INNOVATION AWARD AND GREEN CEO AWARDS 2016**

On August 25, 2016, ANTAM announced the company received the Social Business Innovation Company 2016 in the Metal and Mineral Mining category in Biodiversity Program. As well, ANTAM’s President Director Tedy Badrujaman received the Best Green CEO 2016 award.

The assessment of the Social Business Innovation Award 2016 and Green CEO 2016 was conducted by Warta Ekonomi Intelligence Unit through research of social business innovation to entities that comply with government regulations on environmental management and the implementation of CSR programs. The assessment also evaluates CEOs with high concern for environmental and social sustainability.

The Social Business Innovation Award 2016 was organized by Warta Ekonomi Magazine in recognition of entities and individuals in support of corporate social programs which create green environment, proper education, social balance, small enterprises partnership and sustainable business.

**ANTAM CONDUCTS DOMESTIC NICKEL ORE SALES TO ENHANCE REVENUE AND PROFITABILITY**

On August 29, 2016, ANTAM announced that in line with the development of national smelter industries and domestic demand growth for nickel ore, the Company commenced nickel ore sales to domestic third party nickel smelters.

ANTAM’s total reserves and resources of nickel is able to support the Company’s business development plan and sustain long term operations. As well, ANTAM’s vast nickel reserves and resources can meet demand from domestic nickel smelters.

**ANTAM FORMS COOPERATION WITH THE EDUCATION FUND MANAGEMENT INSTITUTION IN DEVELOPING HUMAN RESOURCES CAPABILITY OF EMPLOYEE AND COMMUNITY**

On August 31, 2016, ANTAM announced the company formed cooperation with the Education Fund Management Institution (LPDP) in developing human resources capability. The cooperation was marked by the signing of a Memorandum of Understanding between ANTAM’s President Director Tedy Badrujaman and LPDP’s President Director Eko Prasetyo.

The signing of the MoU represents ANTAM’s commitment in the development of human resources, notably to the local communities in the surrounding operational areas as well as ANTAM’s employees through the scholarship offer by LPDP. The MoU also signifies ANTAM’s corporate social responsibility program in the education sector. ANTAM and LPDP also sign an agreement in providing language training programs for the LPDP scholarship candidates.

The program is an evidence of ANTAM’s effort to increase the access of education to the communities surrounding the operation areas and is expected to increase the success level for LPDP scholarship candidates.
**ANTAM WELCOMES THE PUBLICATION OF THE FINANCE MINISTER REGULATION NO. 122/PMK.08/2016 ON GOLD INVESTMENT**

On September 1, 2016, ANTAM announced the company welcomed the publication of the Finance Minister Regulation (PMK) No. 122/PMK.08/2016 on Investment of Repatriated Funds related to Tax Amnesty in Non-Financial Market. PMK No. 122 outlines the allowable investment forms for the non financial market, including investment in gold bars/bullion with 99.99% purity, produced in Indonesia and accredited and certified by Indonesia National Standard and/or London Bullion Market Association (LBMA). Under the PMK, ANTAM’s gold bar falls into one of allowable investment forms. Currently ANTAM is the sole gold producer in Indonesia with LBMA gold certification.

**ANTAM PARTICIPATES IN THE ANIMALS PROTECTION CONSERVATION PROGRAM**

On September 13, 2016, ANTAM announced the company through the Precious Metal Processing and Refinery Business Unit (UBPP LM) participated in the animal protection conservation program in cooperation with the conservation agency, Taman Safari Indonesia (TSI) Cisarua. In 2016, ANTAM adopted orangutan named Silvio, after adopting a baby elephant in 2015 named Goldy. The program is part of the company’s participation in the effort to preserve the biodiversity of national flora and fauna heritage.

**ANTAM APPOINTS EPC CONTRACTOR OF HALTIM FERRONICKEL PLANT DEVELOPMENT PROJECT**

On September 15, 2016, ANTAM announced the company selected the unincorporated consortium of Kawasaki Heavy Industries, Ltd. (KHI) and PT Wijaya Karya (Persero) Tbk (WIKA) as the turnkey EPC (Engineering, Procurement and Construction) contractor of Haltim Ferronickel Plant Development Project (P3FH) Phase 1 Line 1 with a contract value of Rp3.42 trillion. P3FH is one of the ANTAM’s strategic projects which aims to increase added value of ANTAM’s nickel deposit through processing of nickel ore into ferronickel. P3FH Project Phase 1 Line 1 will have a production capacity of 13,500 TNi. Haltim Ferronickel Plant will be supported by the main production facilities of Rotary Dryer with a capacity of 170 tons per hour, Rotary Kiln with a capacity of 165 tons per hour, Electric Smelting Furnace with a capacity of 60 MW and other supporting equipments. In relation to the electricity supply of the Haltim ferronickel plant, in January 2016 ANTAM and PT Bukit Asam (Persero) Tbk (PTBA) signed a Memorandum of Understanding related to the development of power plant with a capacity of 80 MW.

**ANTAM MEETS LEADING FOREIGN INSTITUTIONAL INVESTORS IN SINGAPORE**

On September 16, 2016, ANTAM announced the company met leading institutional investors in Singapore. The company presented its latest strategy, performance and outlook during the roadshow.

**ANTAM LAUNCHES LM JEWELLERY PRODUCTS**

On September 26, 2016, ANTAM through its Precious Metal Processing and Refinery Business Unit (UBPP LM) announced the launch of its LM jewellery products. The products are available in necklaces and bezels. During the event ANTAM launched four line of product series: Solidus with Kawung batik bezel, Norita with Mega Mendung batik bezel, Magnus with Parang Barong batik bezel and Adorare series with Sido Muki batik bezel. The LM jewellery products compliment the batik motif gold bars which were launched since December 2015.

The LM necklaces and bezels have a 75% gold purity with certification from the LBMA. The certificate ensures the purity and weight of each product. With a unique and beautiful impression, The LM jewellery products are suitable for both investment and accessory.
